Report

12 Oct 65,  
 Vinh Binh Prov.  
 9th Inf. Div.

February 1965 activity report by the Postal Transportation and Communication Section of Cham Thanh District, Vinh Long Province.

General situation: RVN 9th Infantry Division elements and popular forces launched continuous operations between 21 January and 11 February, along the corridor line and deep inside the postal station base area.

NVLF operations in the postal station base area: Three thrusts launched on 8 and 11 February 1965 resulted in the capture of a province commo-liaison agent, a local liaison agent, a member of the press section of the province rear services, and various documents.

VC situation: The base and the corridor line were efficiently protected by postal liaison personnel in coordination with local guerrillas. Civilian vehicles were hijacked for tax collection.

Common activity: Consolidation of the district section. Personnel strength: 18 including one section chief and one Party committee member. Three village sections out of four liberated villages had been consolidated.

Political and ideological activities: Regimental activity, three indoctrination classes and one critique session.

Defense activity: Daily patrols along the corridor and in the base area.

Transportation activity: Ten guns safely brought to destination.

Postal activity: 1,642 letters processed along with 11,733VMS. 15 trips made on the commo-liaison route.

Guides: Guides were provided for a company of 115 men, and 15 other individuals travelling through the base area.

National property: Boats, weapons and ammunition were well maintained.

PERMANENT
