Rear Admiral Huan Nguyen

Deputy Commander for Cyber Engineering, NAVSEA

Rear Adm. Nguyen is a native of Hue, Vietnam. He graduated from Oklahoma State University with a Bachelor of Science in Electrical Engineering in 1981 and received a direct commission with the Reserve Engineering Duty Officer (EDO) program in 1993. He holds Master's degrees in Electrical Engineering (Southern Methodist University), Engineering (Purdue University), and Information Technology (with highest distinction) from Carnegie Mellon University.

Nguyen's operational tours include test officer and officer-in-charge of Detachment 113 at Ship Repair Facility in Yokosuka, Japan. Nguyen served as executive officer and chief engineer for Joint Counter Radio-Controlled Improvised Explosive Device Electronic Warfare (CREW)

field office in Camp Victory, supporting Multi-National Corps Iraq, where he was instrumental in the stand-up of Joint CREW Composite Squadron One. With Task Force Paladin and the Combined Explosive and Exploitation Cell, Nguyen supported Combined Forces Command Afghanistan as CREW engineer.

Staff assignments include director, Military Programs at Naval Sea Systems Command (NAVSEA); executive officer for Naval Sea Systems Command (NAVSEA), Enlisted Personnel; Engineering duty officer Community Manager (Reserve Component). His last assignment was as deputy chief information officer for NAVSEA. Selected Reserve assignments include NAVSEA, U.S. Pacific Fleet, and the Office of Naval Research. His first flag assignment is as deputy commander for Cyber Engineering, NAVSEA.

Nguyen's personal awards include the Legion of Merit (two awards), Bronze Star, Meritorious Service Medal, and the Navy Commendation Medal (two awards), among various other individual, and unit campaign and service awards. He is especially proud of the unit awards that honor the shipmates he has had the privilege of serving alongside.

Viet X. Luong

Major General, U.S. Army, Retired

Viet Luong emigrated from Vietnam with his family to the United States in 1975 as a political refugee, upon the fall of Saigon. He received his commission as a U.S. Army Infantry Officer upon graduating from the University of Southern California, serving on active duty for the next 34 years until his recent retirement in 2021.

Throughout his career, Luong had commanded at the rifle platoon to flag level and participated in numerous operational and combat deployments, including OPERATION UPHOLD DEMOCRACY (Haiti), OPERATION JOINT GUARD (Kosovo), OPERATION AMERICAN ASSIST (Hurricane Katrina Relief), OPERATION IRAQI FREEDOM 06-08 (Samarra, Iraq), OPERATION ENDURING FREEDOM 10-11 (Eastern Afghanistan), and OPERATION FREEDOM'S SENTINEL/NATO RESOLUTE SUPPORT (Kandahar, Afghanistan). Outside of combat, Luong also served in several critically important strategic assignments, including tours as the Deputy Director for the Pakistan Afghanistan Coordination Cell, where he assisted the Chairman of the Joint Chiefs in shaping national policy for the region, and Army G-8 Director of Joint and Integration, where he was responsible for the Army Modernization Strategy and facilitating the Army Requirements Oversight Council (AROC). Most recently, he served as the Commanding General of U.S. Army Japan, from 2018 to 2021. In this capacity, he effectively operationalized his command and improved U.S. Army force posture in Japan in the face of superpowers competition against near-peer adversaries in the region. Just as important, Luong effectively cultivated long lasting relationships with U.S. Allies in the region and promoted a culture of trust, dignity, and respect throughout his command.

Luong currently serves as an Executive Vice President for a technology company and member of the board for several private companies. In addition, he is a Leadership Fellow with the Association of the United States Army and a proud member of Frisco VFW Post 8273.

Luong holds a Bachelor's Degree in Biology from the University of Southern California and a Master of Military Arts and Science from the Army Command and General Staff College. In 2012, he attended Stanford University as a National Security Fellow, where he focused on U.S.- China Policy under the tutelage of Former Secretary of Defense, Dr. William Perry.

His military awards and decorations include the Distinguished Service Medal (1 O/C), Joint Meritorious Service Medal, Legion of Merit (with 2 O/C), Bronze Star (with 2 O/C), Meritorious Service Medal (3 O/C), Valorous Unit Award, Ranger Tab, Senior Parachutist Badge, Combat Infantryman's Badge, and Expert Infantryman's Badge. In addition to his military awards and recognitions, he is a recipient of the 2010 Daughters of the American Revolution Americanism Award, 2016 Andrew Carnegie Great Immigrant, 2018 Republic of Korea Cheonsu Medal, 2021 US Customs and Immigration Service Outstanding American by Choice, and 2021 Japan Imperial Order of the Rising Sun Gold and Silver. He is married to the former Kimberly Lau of Denver, Colorado. They have three children, daughter, Ashley, and sons, Brandon and Justin.
