Dear Doris,

Our numinous car was to catch the
daily mail.
If we decide to get another Diesel, I can
order it from NEMET—an oversea type place—
much cheaper than you can get it from Charleston.
I realize they can fix the car cheaper, but we
can pay them to do it. But this difference is
likely to be only a fraction of the cost
of the same from them as opposed to NEMET. The
question is; won't hurt to ask them
what they will give and comparing. But considering
the trouble and expense involved in that
transaction, I see no reason it would be best
to have it filed as soon as possible. As I
understand it, it is a long wait for new one
there.

Sincerely,

J. C.
I am glad you decided to rent one to go to Edisto with your (and cat?)

Don't know exactly when I will leave here—might be as early as July.
Will write in more detail tonight and will send exact NEVER price—They are about $500 less I think.

Love.
