071030 H, TEAM 14K FLOPPED WITH DUBAR COUNTY, AT (1D 661527)

TEAM THEN MOVED ABOUT 300M TO HILL 764, PATROL LEADER, AND

ASSISTANT PATROL LEADER, UPON CHECKING OUT AREA, OBSERVED

THREE NVA, AND HEARD AND SEEN AN-47, SAWY CLICK OFF, AT THIS TIME

THEY SAW AN NVA, RAISE UP AND FIRE THREE ROUNDS, THEY RETURNED

FIRE, RESULTING IN ONE NVA, KIA. TEAM BROKE CONTACT AND MOVED TO

THE SOUTH, TO THE TOP OF HILL 764, AT THIS POINT THEY USED A

TRAIL, FIVE FT. TO SIX FT. WIDE, THE TRAIL APPEARED TO HAVE BEEN

CUT, AT THIS POINT THEY OBSERVED FIVE NVA WHO APPEARED TO HAVE NO

CONCERN AT ALL, THE ENEMY HAD NO WEAPONS, OR 752 GEAR, TEAM INITIATED

CONTACT AND THEN MOVED EAST FROM HILL 764, TO A DUMB CRATER, AND SET

UP A 360. TEAM CALLED FIRE MISSION OF SIX ROUNDS, GOOD COVERAGE,

TWO SECONDARY EXPLOSIONS, AND ALSO MUFFLED EXPLOSIONS. AO, CAKE ON

STATION, AND DIRECTED FIXED MOUNTED, ANOTHER AO, CAKE ON STATION, AND

WHILE DIRECTING FIXED MOUNT, TOOK AUTOMATIC WEAPONS FIRE. ALL AIR,

CRAFT IN THE AREA, TOOK FIRE FROM THE GROUND.
After the air strikes were done, the team observed many of the enemy, running from Hill 764, then moved east, to (xd 6755160)

At this time they observed the enemy coming toward then from Hill 764, team called lone air strikes, and moved to extract point.

(xd 677515) at this area team had constant but observed nothing. Team called fire mission on (xd 675515) ao them came on station, and continued running air strikes. About 1800 H, extract helo's came on station and extracted team. Upon extraction, the helo's took a high volume of small arms fire and automatic weapons fire, from hill 764. The enemy were wearing khaki uniforms, with a solid yellow shield type patch on the left shoulder, near the shoulder seam. The uniforms were clean, and the troops, had fresh haircuts, and appeared to be well fed. All had on black boots, except for one wearing brown shoes. All the enemy were carrying.

AK-47's. Four of the enemy were wearing green uniforms, no covers, long hair, no shoulder patches, no packs, cartridge belts,
or camouflage. About 1300 H, the team heard whistling from the top of Hill 764, the team's radio operator also heard whistling, on his handset, interfering with his com, with Romeo. Also, also had interference on his radio. Team changed their frequency, and interference ceased.

1. The Team observed a mortar round fired from CO LOC XD, and also observed two lights, similar to search lights.

On Co loc XD, these lights were seen every night at about 2200 H. 301730 H, the team was moving to their harbor site, when Point man saw one

VQ/NVA, at a about 25m, then the enemy saw the team, and ran in an east direction. Team checked area, and found, four M-16 grenades, an Ass

Pack, a K-Bar, with a day night flare attached, two "D" RINGS WITH repelling ropes, two M-16 magazines, a medical pouch, an air panel, one

Pair of bush gloves, a poncho liner, five cartriges, one os Grenade, and an "H" Harness. All of the above gear was new, and was U.S. about fifteen ft. From this area, the team found, a poncho liner, an Ass pack with the name "R.W. Brum" on same, four M-16, and one os Grenade, a rain jacker,

"D" Ring with repelling rope, ten M-16 magazines, an "H" Harness, and four cartriges. All of the above gear was U.S. the team could not return

Due with the C.B, Brum to being in contact as they were boarding the Helo's. 301730, the team had set up a 360, when M-79 man saw movement, at about five meters, as he checked out the area, he saw one VQ/NVA, run from a bunker, as the enemy ran, he fired several shots at the team, with an M-16, the

Team returned fire, resulting in one enemy KIA. About fifteen minutes, later the team still in a 360, had one enemy, move to within three ft. of them.

TSA 1 Leader fired, resulting in one enemy KIA. About fifteen minutes, later, the team had heavy movement around them, the M-79 man stood up

In order to check out the area, when the team heard an explosion, that sounded like a Grenade, and the M-79 man stated that he was hit, again an enemy

Moved to within three ft. of the team and the radio man fired, resulting in one enemy KIA. As the gunsips, worked out around the area, the team

came in contact with another enemy, resulting in one enemy KIA. As the team was boarding the extract Helo's, one marine received shrapnel, in

his left leg. Upon extraction, the Helo's, received a heavy volume of small arms fire. All of the above Enemy were wearing Grenade Utilites, cartriges

Breits, and several were carrying M-16's. One Enemy was observed wearing a yellow shoulder type patch, on his left shoulder. The patch had black

lettering on same.
7. Other Info: 291600 H, 41 (XO 747363) Team found a bunker complex, consisting of numerous fighting holes, and tunnels. One bunker appeared to be a passageway area, and one was a man apparent aid station, containing empty morphine bottles, and other miscellaneous medical gear.
