B. PROPAGANDA & AGITATION

(1) VC in Thua Thien Province continued propaganda lectures on VC victories. On 20 June, VC gave house to house lectures in an Xuan Hamlet, about 5 miles NE of Hue.

6. CAPABILITIES

A. Continued harassment of lines of communications, installations and troop concentrations in the 1 Corps area with local guerrilla forces.

B. Continued expansion of VC control into areas presently considered to be contested.

C. Attacking in the Hue–Phu Bai area with an estimated four battalions reinforced by guerrillas in the area.

D. Attacking in the Danang area with an estimated eight battalions reinforced by guerrillas in the area.

E. Attacking in the Chu Lai area with an estimated 11 battalions reinforced by guerrillas in the area.

F. For priority targets, the VC can assemble large numbers of guerrillas and local forces to reinforce attacking main force units.

7. CONCLUSIONS

A. Concurrently intensify Para 6A and B in Southern Quang Tin and Northern Quang Ngai provinces.

B. Continue to reconnoiter and plan major operations against SVN garrisons and Marine Corps enclaves.
