March 22, 1974

Dear Charlie Finn,

I'm sending you a copy of our Legislative Update and the action agenda.

The Pentagon is asking for more money for the military in Vietnam, money Congress told them they couldn't have. The first request may come to the House floor early next week. The other requests will work their way through in the course of the next month.

Please try to get people to write or call their Senators and Congressmen protesting this increase in government spending. (Even Barry Goldwater said he might oppose the Pentagon request for more Vietnam money to spend before July. So there is hope.)

Could you let us know your phone number, so we could call you when we have immediate news? (or need immediate help.)

Peace,

Jo Ann Scott

P.S. I just found Charlie Hall's name on our mailing list from Charlottesville Resistance. Can you two work together on this?
