coalition to stop funding the war

action agenda:

May 11, 1974

AMERICAN POLICY AND, TO A LARGE EXTENT, EVENTS IN INDOCHINA DURING THE COMING YEAR WILL BE DETERMINED BY IMPORTANT VOTES IN CONGRESS IN THE NEXT TWO MONTHS.

THE FIRST CRUCIAL VOTE WILL COME ON THE DEFENSE DEPARTMENT AUTHORIZATION BILL. THIS BILL IS PRESENTLY SCHEDULED TO BE VOTED ON IN THE HOUSE THE WEEK OF MAY 20 AND IN THE SENATE SHORTLY THEREAFTER.

Amendments will be offered to substantially reduce American military aid to South Vietnam.

Immediate action is required. Contact your Representative and Senators, urging elimination of or at least large cuts in the proposed aid.

Additional action:

1. Continue encouraging local groups to endorse the Peace Resolution and send it on to your Congressional representatives.

2. Urge the House Judiciary Committee not to drop the secret bombing of Cambodia as an impeachment issue. Remember: Indochina was the root of Watergate.

3. If we don't have it, please send us your telephone number. When things start happening fast, we need to contact as many people as we can quickly.
