[Text] Pyongyang April twentysixth (KCNA)--Premier Kim Il-song, the respected and beloved leader, and Choe Yong-kon, president of the Presidium of the Supreme People's Assembly, sent a telegram of greetings to the leaders of the South Viet Nam National Front for Liberation and the Provisional Revolutionary Government of the Republic of South Viet Nam, on the occasion of the first anniversary of the Summit Conference of the Indochinese Peoples. The telegram of greetings reads:

South Viet Nam

His Excellency Nguyen Huu Tho, president of the Presidium, Central Committee of the South Viet Nam National Front for Liberation; president of the Advisory Council, Provisional Revolutionary Government, Republic of South Viet Nam

His Excellency Huynh Tan Phat, president of the Provisional Revolutionary Government, Republic of South Viet Nam

On the occasion of the first anniversary of the Summit Conference of the Indochinese Peoples, we, in the name of the Presidium of the Supreme People's Assembly and Government of the Democratic People's Republic of Korea, the entire Korean people and in our own name, extend warmest congratulations and militant greetings to you and, through you, to the Central Committee of the South Viet Nam National Front for Liberation, the Provisional Revolutionary Government of the Republic of South Viet Nam and the entire South Vietnamese people.

The Summit Conference of the Indochinese Peoples held in face of a grave situation in which the U.S. imperialists were frantically expanding the flame of their war of aggression in Viet Nam to the whole area of Indochina, was an epochal event which demonstrated the unbreakable fighting spirit and revolutionary stand of the three peoples of Indochina to fight determinedly in firm unity till they make a clean sweep of the U.S. imperialist aggressors, the common enemy, and their stooges, and win final victory and developed their struggle against U.S. aggression and for national salvation to a new stage.

During the past one year following the conference, the heroic South Vietnamese people and People's Liberation Armed Forces, holding high the joint declaration of the Summit Conference of the Indochinese Peoples, have scored shining battle results, dealing mortal blows to the U.S. imperialists and their stooges and shattering at every step their adventurous schemes to expand the war of aggression, through successive attacks on them by uniting strength with the Laotian and Cambodian peoples.
