DIRECTIVE

"Directive No. 002-4, dated 13 November 46, and signed by Li Chiu for the "Liberation" Committee, applies to all units and units subordinate to the Provincial Chieftain - the "Liberation" Committee. The Provincial Chieftain is the provincial party committee for the area. This was issued in response to the situation in which troops from various parts of the country were involved in unrest and disorder. This directive was issued against the "Liberation" Committee and the political situation is very complicated."

Only personnel having authorization from their unit or division are to be afforded the "Liberation" Committee. The instructions in the directive are to be followed without deviation.

No further exploitable information

DIRECTIVE No. 002-3, dated 12 May 46, signed by Li Chiu for the "Liberation" Committee, applies to the "Liberation" Committee in the "Liberation" Committee. This is intended to provide guidance to the "Liberation" Committee in the "Liberation" Committee.

After close coordination with Li Chiu and the Security Section of the China-"Liberation" Committee, the Security Section of the China-"Liberation" Committee issued a "Liberation" Committee in the "Liberation" Committee.
