Exceeds Number of Document Pages
Letter dated 18 November 1966 from an unidentified cadre of NORD, returning from a food supply mission along the coast, to his superior DOD and head of an unidentified Inter-Province.

In the document he listed his experiences and recommendations concerning the following topics:

- Transportation and storage of food items.
- Supervision and handling of civilian laborers.
- Inspection of storage facilities and records.
- Coordination and cooperation between various agencies for the success of the food supply program.
- Promotion of corridors.
- Security of storage facilities.
- Political indoctrination of civilian laborers and of civilians in areas where stores are located.
- Friendly assistance to storekeepers and transportation personnel.

[No Further Exploitable Information]

Updated and enlarged report listing 23 Party and Labor Youth Group members of an unidentified unit.

On back of report is an incomplete sketch with the following geographic names:

- Ha Giu
- Hoa Hiep
- Can Tho
- An Khang Nam
- An Pho Nam
- An To

Additional Exploitable Information:

Draft of a directive concerning political
investigation and internal administration of detach-
ments of "Work Sites" and "agricultural sites".

The document was classified "Absolute Secret"
but the originator is not identified.

The purpose of the directive was to prevent
abuse of power by the enemy and instill a sustained
development of the troops' political awareness.

Following is a summary of the main points:

- All members of every unit are targets
  of the political investigation.
The results of such investigation must answer the following questions:

a. Does the individual investigated have in mind any political or ideological problems that may lead to anti-revolutionary thought or action?

b. Is he politically reliable?

The investigation must be so carefully conducted that it covers every detail of the concerned individual.

Special attention should be placed on:

- New recruits
- New Party and Labor Youth Group members
- AKOLOS
- Men captured and released by the enemy
- Enemy relations with enemy branch unit in which anti-revolutionary rumors have been prevalent and for which classified information exists.

Political investigation must be:

- Systematic
- Objective
- Sustained
- Correct

and above all, conscientiously conducted.

No further exploitable information.
