[Re: further exploitable information]
Circular

27/28 October 1965, from B.64 to U.S. and V.C., praising the fighting spirit of VC and U.S. soldiers during various engagements with B.64 and allied forces from 22 through 26 October 1965, in Bình Định Province.

On 22 October 1965, three U.S. and satellite battalions with aircraft, air and artillery support conducted a sweep operation in Bình Định Province. They were engaged in guerrillas of Bình Định, Bình Phước, Bình Long and Bình Thuận, resulting in 64 killed and wounded, and lost 10 automatic rifles and a watch.

On 22 October 1965, an S.W. guerrilla ambush on U.S. patrol team, killing two non-combatants and wounding the others.

On 24 October 1965, a VC district reconnaissance element ambushed a U.S. convoy, killing one and wounding 17 U.S. soldiers, and destroying two M113s.

On 25 October 1965, C.63 elements coordinated with Region IV forces launched a raid on an NVA reinforced company. Casualties sustained by NVA: 65 soldiers killed, 11 wounded, 4 pacification centers captured by the K1. Equipment lost: 1 jip, 3,000 rounds of ammunition, 45 mortars, 4 mortars shells, a sighting instrument, a transmitter, a radio set, 10 small arms, and a quantity of military equipment and clothing.

Copies of this circular are forwarded to C.10 and C.400, in lieu of report.

No further exploitable information.

Communique

Khomum, dated 3 November 1955, from Moi Hoi, on behalf of an unidentified district group comprised of the group chapters of the group Vo and S0's calling for a political campaign against 5 December 1955.

Specific activities:

1. Start up indoctrination and ideological activities in and outside the group.

2. Intensify assault girls to invoke the backbone of the front-line political struggle forces. Hit the assault girls to boost the backbone of the assault forces in rural areas. Disseminate in various ways, by propaganda, religious leaders, and other persons, the conditions of the struggle, the struggle, the efforts, the effort, and very soon that the cost of living be increased, etc.

3. Simultaneously launch an assault struggle movement to back up the political campaign, with the main focus on the most active youth units for front support, activate the villages to struggle against the administrations, and unite all forces in the villages to struggle against the administrations.

4. Initiate group members and youths to enlist in assault forces as non-assault youth units. Motivation must be complete prior to 15 November 1955 and preparations must be made to provide replacements for youths and group leaders who have completed their six-month tour of duty in assault youth units.

12-1191-55

Circular

12-1192-65

Report dated 17 November 1965, by Ham Phoay of all Schoolboys Activation Section, to an unidentified agency, covering a spontaneous uprising staged launced in the night of 16 Nov 65, at Trinh Noah Proa Royal School. This event was the work of two schoolboys cadre and two covert self-defense schoolboys, and lasted for three hours.

A one-meter National Liberation flag was hoisted and three-meter banner was hung. Disseminated leaflets included 500 printing, Nguyen Van Trak and the U.S. people's struggle, 50 planning to schoolboys, 70 in English and 150 appealing to NVA soldiers, 50 others denounced the U.S. imperialists' arts and burning appeals to the people. 30 slogans were written on the school walls. Four spike boards were used, two at the flag pole and two beneath the banner.

The Liberation flag could be seen by all the schoolboys on Trinh Noah day 13. Security agents did not exist any more 10 until 1930. They did not use the flag nor placed up the leaflets in the yard, but the slogans were still on the walls for the schoolboys picked up and read the leaflets in the classroom. Lively discussions on the contents of the leaflets were going on among the schoolboys. By 2100, WPL and WNP had the National Liberation flag.

No further explicit detail information.

12-1193-65

Directive

Directive No. 125/PS, dated 10 December 1964, of an unidentified Province Party Committee, Current Affairs Section, covering instructions of GOWP Current Affairs Section, relative to the intensification of military intelligence operations at various echelons.

28 Nov 65, Vien, XTS021122, VC3 Co., 1st Pln, 18th Inf Div, 1st Inf. Div.
Received 1961.
6 December 1965.
1. The Party's assignment to the task in charge of military affairs would be
   developed to take charge of military intelligence operations within the concerned
   locality. He is responsible for the establishment and analysis of enemy situations, the determination
   of essential elements of information, the control and direction of military intelligence operations,
   and the political indoctrination of military intelligence cadre.

2. Personnel should be screened. Experienced elements such as infantry cadre and/or civilians
   used to work behind the enemy lines must be assigned to non-essential elements transferred from
   the military corps.

3. Military intelligence agencies should be reorganized. Military presiding agents having
   access to enemy information will be transferred to military intelligence branch and vice versa.
   Military intelligence and military presiding agents having access to strategic information
   will be transferred to military intelligence

4. Technical channels must be reinforced.
   Reports should be compiled and sent to the military affairs cadre of each particular
   military unit via the Military Intelligence Branch.

5. The communication network must not be used
   from province to city to distribute key information.

6. Captured enemy documents and files must be
   concealed in transit to military personnel.
