USMACC CHDC CORRECTED:

"Bac Son is, according to JCS 1966 Od, Cover Designation of "79th QM", operating in Phuoc Long Province, 1966 (VU. 36.06.01, 36.07.03). According to information obtained by this Center Bac Son Regiment was supposed to move to OV-260 on 4 Jan 1966. (See Bulletin No. 46, Doc Log N0-1061-66)."

According to JCS 1966 Od Major Le was the former commander of Bac Son Regiment and later "79th" was the Assistant Regiment Political Officer.

Consequently, considering the circumstances of capture (VT-1.7.7.7.6) Bac Son Regiment has actually moved to Khe San Province, M1. However, it should be noted that term Yorkite used in the two summarized documents usually means a divisional size unit.
